PSC Warns Public About JCT Motor Coach, Inc. *Company Shut Down by Feds on June 10, 2011*

ATLANTA, June 23, 2011 – The Georgia Public Service Commission today noted that the Federal Motor Carrier Safety Administration issued a cease and desist order on June 10, 2011, to JCT Motor Coach, Inc. of East Point, Georgia, after finding the company posed an imminent hazard to public safety.

The federal cease and desist order was issued following a Georgia State Patrol inspection of JCT Motor Coach that identified 19 problem areas. In recognition of the pending federal investigation that has ceased all operation by this company in Georgia, the Commission did not move forward with a rule nisi, certification revocation, or other legal action. PSC action at this time was not necessary to protect the public, since the FMSCA order already prohibits JCT Motor Coach from engaging in intrastate transportation.

The Commissioners did request that a warning be placed on the PSC website about JCT Motor Coach to prevent any confusion about the company's status.

The Company currently has an interim certificate of authority to operate within Georgia. Under current Georgia law (O.C.G.A. §§ 46-7-2, 46-7-3, 46-7-85.3, 46-7-85.4 and 46-7-12) all passenger carrier companies that fall under the Commission's authority and operate within the state are required to be registered and have proof of insurance on file with the Commission. A list of the licensed companies can be found on the Commission's website:
