NOTES:

Marketer prices must be filed by the 5th of each month  
 Commission website: www.psc.state.ga.us

All available marketer rate plans June not be listed on the website. Please contact the marketer for any additional rate plans or offerings.

**NEW**—If the marketer provided a range of customer service fees based on credit or consumption, then that marketer's "Total Monthly/Annual Bill" Calculation is calculated by using the **HIGHEST** of the range. Specific customers' total bill calculations may be different depending on the marketers' credit criteria and consumption.

- (1) The prices billed to a consumer on a variable rate plan will not exceed the price the marketer has on file with the Commission in effect at the beginning of the consumer's billing cycle (meter reading cycle). The prices billed to a consumer on a fixed rate plan will not exceed the price on file with the Commission that was in effect at the time the consumer contracted with his or her marketer.
- (b) The **Regulated Provider** Group 1 customers - low income customers who are qualified by the State Dept. of Human Resources. Group 2 customers - high-credit risk customers who cannot obtain service from a marketer.
- (3) The Total Annual Bill and Total Monthly Bill include the base charges from Atlanta Gas Light Company. The annual base charge for a typical customer with a 1.30 DDDC Factor is \$348.34 and is \$174.37 for qualifying senior citizens.
- (4) The June 2019 base charge is \$25.25 for a typical customer with a 1.30 DDDC Factor, and is \$11.39 for qualifying seniors with a 1.30 DDDC Factor.
- (6) \*Apples-to-Apples\* = (total annual [monthly] bill / annual [monthly] consumption)
- (5) Total Monthly Bill = [(Marketer rate (variable or fixed) x 16 therms) + (customer service charge) + June base charge]
- (6) Total Annual Bill = [(Marketer fixed rate x 17 therms) + (customer service charge x 12) + (annual base charge)]
- (f) Prices do not include sales tax, which vary by county.
- (g) Existing Plans Are Not Available to New or Existing Customers Not Currently On These Plans
