MEDIA ADVISORY

FROM THE OFFICE OF COMMISSIONER TIM ECHOLS

Echols to Address “Drive Across America” Natural Gas Vehicle Road Rally in DeKalb County on June 12, 2017

ATLANTA – June 7, 2017 - Public Service Commissioner Tim Echols will speak at the Drive Across America NGV Road Rally only Georgia stop on this 18-city, cross-country tour of natural gas vehicles on Monday June 12, 2017 at 11 a.m. at the DeKalb County CNG Station at 3720 Leroy Scott Drive, Decatur, Georgia 20032.

Please join Commissioner Echols and others to hear updates on natural gas vehicles, see the latest technology vehicles on display and tour the CNG station. "Alternative fuel, especially clean, cheap American natural gas helps save money and reduce greenhouse gases," said Echols. "The Public Service Commission under Commissioner Doug Everett's leadership has worked with Atlanta Gas Light to expand fueling stations across Georgia."

The June 5-16, 2017 road rally, starting in Long Beach, California, and ending in Washington, D.C., will showcase the viability of Compressed Natural Gas (CNG) and Liquefied Natural Gas (LNG) vehicles and the broad network of fueling stations across the nation. This national event will help focus local, state and national attention on the benefits of natural gas as a clean-burning, abundant and domestically produced transportation fuel.
