MEDIA ADVISORY FROM THE OFFICE OF COMMISSIONER TIM ECHOLS

CLEAN ENERGY ROADSHOW TO VISIT DOWNTOWN ATLANTA ON JULY 24, 2018

July 23, 2018 – (ATLANTA) – The Clean Energy Roadshow will visit downtown Atlanta on July 24th at the law offices of Dentons USA LLP at 303 Peachtree Street from 9 a.m. to 1 p.m. Each stop will begin with a showcase of vehicles followed by a three hour seminar. Early registration is free and available at www.cleanenergyroadshow.com

As gasoline prices are on the rise again, this year's timely Clean Energy Roadshow will feature an in-depth look at the cost savings and implementation considerations of switching to alternative fuels for fleet and transit operators. Panels will be grouped by fuel type and will include specialists from Georgia Power, Natural Gas Association of Georgia, Atlanta Gas Light, Blue Bird Bus, Nissan and several EV charging and vehicle conversion. Vehicles including the Ford F150 Natural Gas Vehicle, extended range 2018 Nissan LEAF, Tesla Model 3, dual-fuel propane Law Enforcement Vehicles and the BlueBird Vision school bus will join the early morning outdoor technology showcase. See the full list of vehicles at the end of this release.

During the second half of the event, Larry Williams, President of TAG will present the TAG State of the Industry: Technology in Georgia Report; an essential tool for Georgia's many technology stakeholders. In addition to its far reaching uses for economic development, the update serves as a repository of facts, statistics, trends and other insights into the Georgia Technology Industry and serves as, a guide for companies considering headquarter relocation to Georgia.
