NEWS RELEASE

Georgia PSC To Host Hurricane Helene Utility Update at 2 p.m. Thursday

Oct. 2, 2024 – (ATLANTA) The Georgia Public Service Commission will livestream a Zoom call between Commissioners and utility officials as they receive updates on service outages and repairs. The call will be livestreamed at 2 p.m. Thursday, Oct. 3.

Updates will be provided by officials with Georgia Power, Atlanta Gas Light, electric membership corporations (EMCs), the Municipal Electric Authority of Georgia (MEAG), the Municipal Gas Authority of Georgia (MGAG), as well as telecommunications providers.

Members of the public and the media will be able to watch the update live via the PSC YouTube page, www.youtube.com/georgiapublicservicecommission. A link will also be posted on the homepage of the PSC website <https://psc.ga.gov>.

Any member of the public with a question for utility providers can submit questions in advance via email to GaPSC@psc.ga.gov. Questions from the public will be read by the Commissioners on the call and will be addressed by the utilities, as time allows.

Commissioners hope family members and friends of Georgians without service will watch the update and will help relay the information provided. Likewise, Commissioners hope members of the media will help disseminate the updates to all Georgians.

For more information on the Commission, see the PSC website at <https://psc.ga.gov/>
