UTILITY ENGINEER II – Electric Unit

Annual Salary: \$77,000 - \$80,000

Recruitment Period: Until Filled

Number of Openings: 1

The Georgia Public Service Commission is a five-member constitutional agency that exercises its authority and influence to ensure that consumers receive safe, reliable, and reasonably-priced telecommunications, electric and natural gas service from financially viable and technically competent companies. For more information on the Commission, see the Commission website at <https://psc.ga.gov>.

Job Description:

Under general supervision, performs work of considerable difficulty in the review and evaluation of electric utility issues, promoting clean, safe, reliable and affordable electricity service in the public interest.

Qualifications/Responsibilities:

- Bachelor's degree in engineering from an accredited four-year college or university.
- Demonstrated knowledge, or ability to acquire knowledge, of engineering principles and practices as applied to the design, permitting, construction, operation, maintenance, expansion, and rate structure determination of electric utilities.
- Demonstrated knowledge, or ability to acquire knowledge, of modern trends, techniques, and practices of electric utility service and regulation.
- Ability to communicate, in written and oral testimony, detailed and technical engineering information, guidelines and standards/statutes/codes/regulations to various audiences.
- Ability to identify issues, obtain relevant information, relate and compare data from different sources, and identify alternate solutions.
- Use effective approaches for choosing a course of action or developing appropriate solutions and/or reaching conclusions.
- Ability to make decisions and recommend action consistent with available facts, constraints, and anticipated consequences.
- Knowledge of the economic regulation of investor owned public utilities (e.g. rate base, expenses).
- Experience with utility general rate cases, rule-making proceedings, complaint proceedings, and/or special utility investigations.

Evaluation Information:

- Must successfully complete background investigation.
- Send cover letter and resume to: HRGPSC@psc.ga.gov or apply online at www.psc.ga.gov

Candidates selected for further consideration will be required to submit the following:
