Commissioner Hubbard's Motions to Increase Savings Voted Down

May 28, 2026 – (ATLANTA) – At Thursday's hearing, Commissioner Peter Hubbard offered motions for two changes to the stipulated agreement in the Georgia Power Fuel Recovery Case and two changes to the agreement in the Storm Recovery Case. All four motions were voted down 3-2 with Hubbard and Commissioner Alicia Johnson in the minority.

Hubbard and Johnson ultimately voted for the unchanged stipulations.

“Summer is coming, so I voted to provide Georgians as much relief as possible,” Hubbard said. “I don't think anyone will be happy once summer rates kick in on June 1st. We missed opportunities to save Georgia families another \$50 million. Instead, the majority voted to put the company first. That's not why voters sent us here.”
