

AT&T Call Protect

1. Go to the [AT&T phone portal](#). Sign in with your member ID.
2. Choose Features, then Call filtering.
3. Select Call Protect.
4. Read and accept the Call Protect Terms & Conditions.
5. Slide the Call Protect toggle to turn it On or Off.
6. Select Save.

For more information on blocking spam calls if you have AT&T:
