WHEREAS, the GPSC desires to enter into a contract for professional consulting services with the CONSULTANT for the performance of the duties described under the terms

and conditions stated herein;

NOW THEREFORE, in consideration of the mutual promises and agreements hereinafter set forth, the satisfactory consideration each for the other hereby expressly recognized and agreed, the parties hereby contract for services in accordance with the following provisions.

ARTICLE I. SCOPE OF SERVICES

The CONSULTANT shall perform the following services:

[INSERT AGREED-UPON PROCEDURES]

ARTICLE II. CONSULTANT'S RESPONSIBILITIES

The CONSULTANT agrees that, for a period of one year following the completion of the project described in ARTICLE I herein, as well as during the time within which such duties are being performed, the CONSULTANT shall not enter into any employment with, or provide services to or on behalf of any company under the jurisdiction of the GPSC, or any subsidiary or affiliate of any such company. Additionally, the CONSULTANT must on their own action, disclose to the Attorneys for STAFF the fact and substance of any unauthorized contacts or representations made to the CONSULTANT outside the physical presence of Attorneys representing the STAFF or a GPSC STAFF member by persons known, or who reasonably should be known by the CONSULTANT to be associated, directly or indirectly, with any company referenced in this paragraph.

The GPSC shall inform the CONSULTANT of the GPSC'S policies and regulations with respect to such unauthorized contacts or representatives. At the conclusion of the work performed pursuant to this contract, the CONSULTANT shall affirm in writing that no unauthorized contacts were made or that such contacts were reported as required.

Non-compliance with this requirement may result in immediate cancellation of this contract and the institution of any additional proceeding deemed necessary or appropriate by the Attorneys representing the GPSC. The Attorneys representing the GPSC are authorized to use any reasonable method to ensure strict compliance with this requirement.

Upon completion of all tasks as described in the AGREEMENT and the CONSULTANT's proposal, the CONSULTANT agrees that any software, databases, or other analytical tools purchased or developed in support of activities covered under this AGREEMENT and any work product resulting from activities covered under this AGREEMENT become property of the GPSC. The CONSULTANT further agrees that such software, databases, analytical tools, or work products purchased, developed, or produced for the GPSC shall not be offered to any other entity in any manner whatsoever, in whole or in part,

without the permission of the GPSC.

ARTICLE III. TIME OF PERFORMANCE

The period of performance of this contract shall be from the AGREEMENT DATE through the completion of tasks as described in ARTICLE I or until the GPSC shall determine that further performance is not needed and shall instruct the CONSULTANT to suspend performance; provided, however, that nothing herein shall prohibit the CONSULTANT from making appropriate fee and expense applications for work performed between the BEGINNING DATE and AGREEMENT DATE. In the event that performance shall be suspended upon instruction of the GPSC, the CONSULTANT shall be compensated for all work completed prior to said suspension according to allowed expenses and labor at the rates as stated in ARTICLE IV. All such expenses shall be subject to the provisions of the "Consultant Billing Requirements for Reimbursement/Non-Reimbursement of Consultant Contract Charges" set forth in Exhibit A, attached hereto and incorporated herein by reference.

Maximum reimbursement amounts for daily meals for the CONSULTANT shall be a per diem of \$50.00 per full work day. For partial work days, each consultant must use the per meal reimbursement rates as follows:

Additionally, the GPSC and the CONSULTANT further agree that the contract amount shall be subject to modification by agreement between the parties hereto to accommodate changes in workload required of the CONSULTANT due to subsequent changes in the scope and level of the CONSULTANT'S responsibilities not otherwise properly compensated by the amount originally stated in this AGREEMENT. Any such modification shall be agreed to in writing by the GPSC and the CONSULTANT. In the event modification of this AGREEMENT shall not be mutually agreed to by the CONSULTANT and the GPSC, the GPSC shall be the final arbiter of such modification.

Additionally, the GPSC and the CONSULTANT further agree that, if a work plan submitted by the CONSULTANT is utilized under this contract in order to provide general consulting assistance on a project or matter, the amount stated in a work plan approved by the STAFF shall be a "not to exceed" amount unless it is subject to modification by agreement between the parties hereto to accommodate changes in the workload required of the CONSULTANT due to subsequent changes in the scope and level of the CONSULTANT'S responsibilities not otherwise properly compensated by the amount originally stated in the work plan. Any such modification shall be agreed to in writing by the GPSC and the CONSULTANT. In the event the CONSULTANT and the GPSC shall not mutually agree to modification of a work plan compensation amount, the GPSC shall be the final arbiter of such modification.

Notwithstanding any other provision in this AGREEMENT, in the event that the appropriations from the Georgia General Assembly no longer exist or in the event that obligations of the GPSC incurred at any time exceed the balance of remaining unobligated funds, then this AGREEMENT shall terminate without further obligation of the GPSC.

ARTICLE V. RETENTION OF RECORDS

The CONSULTANT shall keep and maintain all records and other documents pertaining to the performance of this AGREEMENT until the final payment of funds paid to the CONSULTANT by the GPSC pursuant to this contract.
